

## Welcome to CleanChain Insights

The CleanChain community provides valuable feedback that has resulted in new features, improvements and a robust product roadmap for future enhancements.

Another recommendation provided by the community is to launch a monthly CleanChain newsletter – and we are pleased to share **CleanChain Insights** with you today. Join us every month as we share the newest in features, announcements, webinars, and industry news from around the globe.

We hope you enjoy CleanChain Insights and we welcome your input to continue bringing you valuable information on a monthly basis.

### PRO TIPS

#### NEW Getting Started with CleanChain Guide – Just 5 Steps!

We recommend that you [download the new Getting Started with CleanChain Guide](#). Having this Guide printed and available next to your computer will help set you up for success. This step-by-step instructional tool walks you through how to set up your new CleanChain account.
