

# CLEANCHAIN Insights

The latest in features, announcements, webinars and industry news from around the globe.  
JUNE 2018

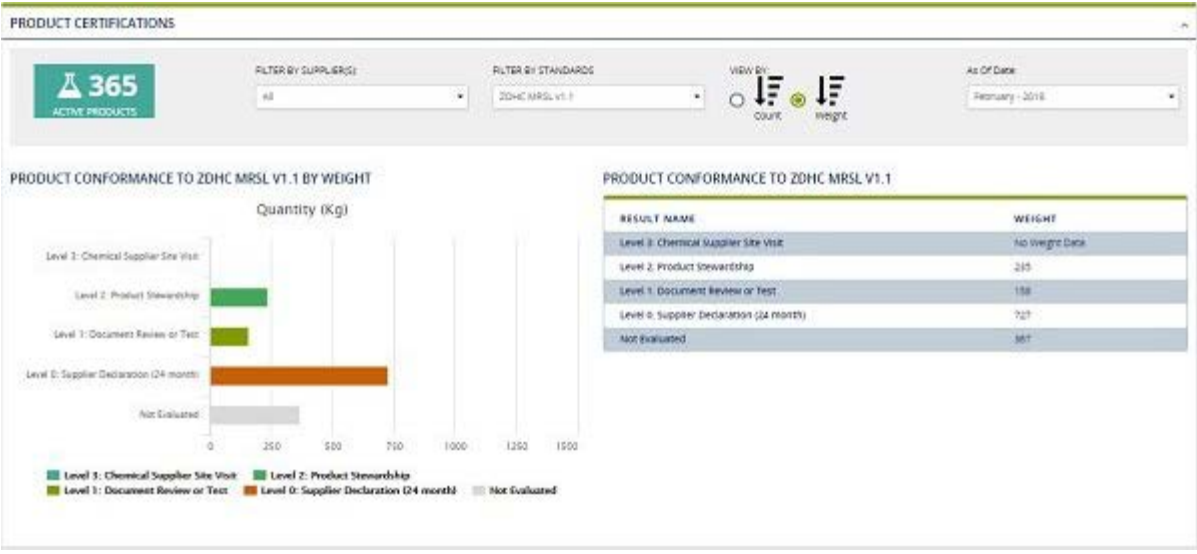

## PRO TIPS Increase Conformance

Want to improve your conformance to the ZDHC MRSL but are unsure how?

The product messages feature can help!

You can use this feature to ask your formulators a question, request information, or even invite them to join the ZDHC Gateway. You can also message ADEC Innovations about a particular formulation. Navigate to the Active Products, click the message icon next to the formulator name and send away!

## PRODUCT UPDATES Weight-based Conformance

Broaden the scope of your analysis using the new **View by Weight** feature. Navigate to the product certifications dashboard and select Weight in the top right portion of the dashboard. Track performance by using the “As of Date” menu to research past and current months’ data.

## COMMUNITY NEWS MAS HOLDINGS MAKES A CLEANCHAIN CONNECTION WITH ADEC INNOVATIONS IN JOURNEY TOWARD ELIMINATION OF HAZARDOUS MATERIALS

As part of its zero toxic commitments, MAS needed a process and reporting system that provided inventory registration and management, usage tracking and dashboard views for each of their facilities around the globe. MAS selected CleanChain for its unique features, which allowed them to create these solutions.

Working together, MAS and ADEC Innovations implemented CleanChain to fulfill their specific reporting needs. MAS has since facilitated the adoption of CleanChain at 20 chemical intensive manufacturing facilities in Australia, Bangladesh, China, Germany, Honduras, Hong Kong, India, Indonesia, Italy, Jordan, Mexico, Sri Lanka, the UK, the US, and Vietnam.

## FEATURE OF THE MONTH Green Chemistry

You can use the CleanChain Product Library and product cards to find environmentally friendly alternative products.

Navigate to the Product Library and search by your favorite formulator. Or filter by product tags to see products under a precise use category. For more information, download the “**5-Step Guide to Getting Started with CleanChain**” and read more in our Inventory Management section.
